

It saddens us to announce the passing of our beloved

Elo Aslanian

*She was a friend to everyone she met
and a source of strength for all who knew her.*

*We know that she would want us to celebrate her life
instead of mourning her death.*

*Mrs Elo Aslanian was a very much instrumental
in success of Nor Cal since its inception ,
and losing her is a huge loss to Norcal
Family and Armenian community*

May God Bless her soul.
